INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Madam/Sir:

To comply with 37 CFR §1.97 and §1.98, Applicants submit the enclosed Form PTO-1449 and copies of all documents listed on that form. The cited documents are Office actions from another patent application (U.S. Appl. No. 09/512,696) that Applicants filed and subsequently abandoned. That application was directed to subject matter that is also claimed in the above-referenced application. Although Applicants do not believe that the Office actions affect the patentability of the above-referenced application, Applicants are submitting the Office actions pursuant to any duty Applicants may have under the recently issued *Dayco Products v. Total Containment*, 66 UPSQ2d 1801 (Fed. Cir. 2003).

In accordance with MPEP §609 and §707.05(b), Applicants respectfully request that each document listed in the Form 1449 be given thorough consideration and that the Examiner cite each document of record in the prosecution history of the present application by initialing Form PTO-1449 next to each document. Applicants request such initialing even if the Examiner does not consider: (1) a listed document to be sufficiently pertinent to use in a rejection, (2) a document to be prior art for any reason, or (3) that the guidelines for citation have been fully complied with respecting a particular document. Applicants make this request so that each document becomes cited on the face of a patent issuing on the present application.

Applicants submit this Information Disclosure Statement in compliance with the duty to disclose information material to patentability under 37 CFR §1.5, but by listing such documents Applicants are not admitting that such documents are necessarily relevant or prior art. Applicants intend no representation that the listed documents represent the results of a complete search. Applicants anticipate that the Examiner, in the normal course of examination, has made an independent search consistent with 37 CFR §1.104(a) and §1.106(b) and, in the course of such search, will review for relevance every document listed on the attached form even if not initialed.

Applicants request early and favorable consideration.
